AREA OF EXPERTISE

Detail-oriented Operations & Communications Professional with a background in Master of Music and MBA coursework. Proven track record in managing complex event operations, analyzing audience and student engagement metrics, and coordinating cross-functionally across professors, guest artists, technical crews, parents, and students. Skilled in leveraging data tools (Excel, Python, Tableau) to drive program engagement and operational efficiency.

PROFESSIONAL EXPERIENCE

Senior Instructor & Operations Coordinator

Palo Alto, CA

New Mozart School of Music

September 2025 – present

- Analyze student enrollment trends and design targeted outreach strategies for parents and local Bay Area families, driving sustained program participation.
- Manage end-to-end operational workflows and event logistics across instructors, staff, and parents, ensuring 100% adherence to scheduling and performance milestones.
- Support brand presence through consistent messaging that resonates with parents, students, and community partners.

Lead Social Media Manager & Board Member (Remote)

Utica, NY

Chamber Music Society of Utica (CMSU)

August 2025 – present

- Lead social media strategy across Instagram, Facebook, LinkedIn, and website, enhancing visibility for a community of 260+ recurring attendees.
- Create story-driven posts, event highlights, reviews, short-form videos, and promotional graphics to build audience engagement.
- Monitor audience feedback, track engagement trends, and adjust content strategy accordingly.
- Revitalized awareness for an 85-year-old organization by introducing fresh, modern content formats and consistent social presence.
- Work cross-functionally with artists, administrators, and production teams to tell compelling performer and community stories.

Staff Pianist

Hamilton, NY

Colgate University

September 2024 – July 2025

- Coached and coordinated 22 voice students for recitals and university events, ensuring polished performances for audiences of 50–150.
- Acted as primary operational liaison between 22 voice students, professors, and technical stage crews to align equipment logistics, scheduling, and risk mitigation for seamless live productions.
- Collaborated, rehearsed, and performed in a 2-hour artist-in-residence recital with Grammy-winning and faculty artists, demonstrating adaptability and strong ensemble leadership.
- Directed rehearsals for a 45-member university choir, supporting repertoire preparation, artistic interpretation, vocal technique, pronunciation guidance, and lyric translation for accurate and expressive performances.

Graduate Piano Assistant & Event and Communications Support

Dekalb, IL

Northern Illinois University, School of Music

August 2022 – May 2024

- Managed concurrent operational workflows for 45+ high-volume music events; utilized Microsoft Excel spreadsheets to track production schedules, performer requirements, and audience logistics.
- Coordinated cross-functionally with professors, visiting guest artists, and technical crews to resolve production bottlenecks and deliver clear event communications to audiences.
- Adapted quickly within fast-paced, high-volume event environments.

President & Student Engagement Coordinator

DeKalb, IL

NIU Taiwanese Student Association

July 2021 – May 2024

- Grew the organization 5× through social media promotion, targeted outreach, and community-driven content.
- Produced event announcements, recap videos, and cross-platform posts that increased visibility among 100+ students.
- Gathered and analyzed quantitative audience feedback via survey tools and Excel to identify growth opportunities, resulting in 5x organizational growth across 100+ active student members.
- Organized 12+ cultural events annually, managing budgets, logistics, and collaborations with university departments.

ADDITIONAL EXPERIENCE

Piano Instructor

NY, IL, TW

Multiple Institutions

2021-2025

- Managed recurring communication, performance goals, and scheduling for 200+ students and their parents, tracking individual learning progression and operational SLAs across 17+ recitals.
- Created motivational content (practice challenges, progress updates, micro-videos) to boost engagement.
- Coordinated 17+ recitals, handling logistics, marketing flyers and audience communications.

Event Coordinator

Taipei, Taiwan

Excellence International Music Competition

January 2017 – December 2020

- Created marketing materials and campaigns that increased participation 40%.
- Managed logistics for 800+ annual participants, including communication, scheduling, and venue coordination.
- Built partnerships with schools and community organizations to expand reach.

PROJECTS

Constella: AI Wellness Music App

- Designed and prototyped an AI-powered digital wellness app that generates personalized audio in real time based on user mood, horoscope, and biometrics, eliminating licensing overhead through original AI generation.
- Authored a 67-page product strategy book covering information architecture, unit economics, market positioning, and a 24-month phased roadmap.

Spotify Music Analytics & Emotion Intelligence

- Processed and analyzed 551K+ tracks across 3,000+ genres using Python to extract trend insights for digital entertainment platforms.
- Combined statistical analysis with predictive modeling (Random Forest, Gradient Boosting) to evaluate how emotional signatures and audio properties impact track performance.
- Identified key drivers of popularity (energy, danceability) to guide artists, performers, and curators on content optimization.
- Developed data-backed recommendations for digital playlist curation, storytelling, and recommendation systems to enhance listener engagement and retention.

MindShift: Transforming Digital Engagement into Cognitive Growth

- Designed an ethical digital content platform utilizing a hybrid 70% AI algorithmic curation and 30% human moderation model to enhance engagement quality and user retention.
- Architected a three-tier freemium monetization strategy (Free, \$4.99 Pro, \$9.99 Premium) designed to drive subscriber acquisition and maximize long-term customer value.
- Developed an international market expansion roadmap and dual-headquarters operational plan (San Francisco / Singapore), leveraging government upskilling initiatives like SkillsFuture for scaling.
